

Swivel Chair Bases

All bases are standard with dual wheel casters. Wood bases are standard with bronze finished hoods. The C5 base has a polished aluminum frame; a black powder coated finish is also available on the C5. Inquire for other colors and possible charges.

Standard Bases

C5 Polished Aluminum base

L5 Slim line traditional wood base*

T5 Traditional wood base*

C5 Powder coat finish (Black)

N5 Contemporary bullnose wood base*

Base Upgrades

G5 Carved traditional wood base*
Add \$295 list per chair

J5 Tapered wood base*
Add \$165 list per chair

K5 Jett Carved tapered wood base*
Add \$195 list per chair

To specify an alternate base: The second- and third-from-last digits in the model number are the base code. Replace these with the desired base code. (Example: To change Meg high-back swivel from C5 Polished Aluminum base to L5 Slim line traditional wood base change model #375**C5**V to #375**L5**V.

* For wood bases, specify a wood finish. 'Standard' wood finish are included in the wood base pricing. 'Premium', 'Luxe' and STM finishes require additional charges. Refer to price list or contact your representative.
